Team is Clear, Open Tonight, Prime Rib Night is On!

We have enough confirmed negative results among food & beverage staff to fully reopen service beginning with dinner today, Fri 1/29. We're also open for lunch on 1/29, albeit with a [limited menu](#) due to limited staff availability. Full [hours and menus](#) resume at 5pm. Thanks again to members for their patience and support while we worked through our contact tracing and testing procedures for the second time this month.

Reminder also that tonight (along with every Fri in the off-season) is Prime Rib Night. In addition to the regular dinner menu, you can treat yourself to either an 8 oz. cut (\$28) or 12 oz. cut (\$32). Served with Buttered Asparagus, a Baked Potato, Au Jus, Horseradish Sauce, Butter and Sour Cream.
