their needs. If you'd prefer a smaller meal at home, please call the Grill (434-817-0507) to order to-go from the [eat-in menu](#) **from 11:30am-7pm on Tue & Wed 11/24-25**. email [Kaitlin](#) if you'd rather arrange for us to pick up your gift.

NEW - Seasonal Beers on Tap - We'll be rotating through a series of special seasonal beers in the Piper Pub, beginning with:

- [New Realm Brewing](#) (VA Beach) Harvest Ale, an English barleywine-style brew. A six-hour kettle boil provides a full-body, deep amber color, crème brûlée-like maltiness, a touch of herbal hop aroma and notes of toffee & caramel. With a 10.8% ABV it's available in smaller pours in traditional glassware.
- [Loose Cannon](#) (Baltimore) Heavy Seas American-style IPA. Burnished gold in color, it's triple hopped but eminently drinkable with a floral, spicy, citrusy aroma and flavor. At 7.25% ABV and 45 IBUs it's served as a full pour in a pint glass.

Reminder - Sunday Menus - In lieu of the regular dinner menu, the [lunch menu](#) is served all day, in addition to the [Burger Night menu](#) which is available from 5pm to close at 8pm. The [brunch menu](#) is available from 11am-2pm.
