Personnel News

Please join us in congratulating Colin Rowe, Glenmore's Assistant Tennis Professional, who has accepted a Head Teaching Professional position at Wailea Tennis Club in Maui, Hawaii. While we'll miss him here, this is an opportunity for Colin that is too good to pass up. Many of you know him as an avid tennis player and golfer, but fewer know he's an equally avid surfer.

Colin has been an integral part of the growth of racquet sports and junior programming, has a great way with people regardless of age or ability, and leaves big shoes to fill. We're proud to have been able to call him a member of our team and we'll miss him, but we know he's excited about his upcoming adventure and we expect he'll excel in his new role in HI as he always has here in VA.

Please stop by to pass along your well wishes to Colin in the coming weeks, or [email him](#) directly. His last day at the club will be Sun 12/13.
