### *Pool*

**LAST CALL! - Family Pool Season Ending** - With colder weather on the way, the last day for the family pool is Sun 11/29. The water heater is still set at 75 degrees--it feels cold on entry but it's comfortable by your second lap, so get your last laps in! Our thanks to everyone for their support during the first and hopefully last swim season affected by COVID-19. Regardless of COVID, we're looking forward to the new heater allowing an earlier opening next season. We'll also be putting together a bulk order for wet suits during the off-season, sign up [here](#) to be on an email notification list for that.

### *Thanksgiving*

While 2020 might not have been what any of us expected when sitting down to Thanksgiving dinner in 2019, we still found a lot to be thankful for this year. Thanks to those on our team who came in to take care of members yesterday. Thanks to members who dined with us at the club, to those who let us cook their at-home feasts, and to everyone who came out to enjoy the beautiful day. It was great to see golf clubs

and tennis/pickleball racquets in action, not to mention swimmers in the pool in late November!

### ***Golf***

**NEW - Turkey Scramble** - We had seven foursomes competing, with the winning team firing an exceptional 56--16 under for 18 holes! Beyond their great play, all four members of the winning team generously donated their prize of a turkey each to our local food bank. Congrats and thanks to Patrick & Jonathan Elias, Alan Waller and Paul Flick. Congrats also to the second place team, winners of the pumpkin pies with a 64: D.J. Bickers, Jim Cloonan, Bill Curry and Vin Cibbarelli.

### ***Dining***

**Reminder - Family-Style Specials** - Portioned for 4 or 6 servings. We regret that we cannot provide smaller portions of these specials.

**Reminder - Reserve Bottle Sale** - While supplies last, some of the club's best wine is on sale. View the list [here](#). New to the list is St. Cosme's Côtes du Rhône. Produced from 100% Syrah from the cool, rocky vineyards of Vinsobres and the stony Villafranchian terraces of the Gard. Vinsobres brings freshness and complexity while the Gard contribute color and power. The wine is partially destemmed, fermented with natural yeasts, vinified in concrete vats, and has spicy notes of sandalwood, violets, and black pepper. Regularly \$34, now only \$17.
