Reminder - A Small Token of Our Thanks - Thank you for your support during this year of COVID. For our team, this year has been head down with a focus on safety and rapid adaptation with little time for reflection. However, as the fairways foreshadow dormancy it brings back memories of Spring, when those same fairways awakened to

daily changes in laws and guidelines. It was unexpected and difficult, but we got through thanks to the support of incredible members. Before we dive into winter challenges and holiday planning we wanted to take a moment to share a token of our appreciation.
