News

VA Rollback - Gov. Northam announced new restrictions yesterday afternoon, effective Mon 12/14. The maximum permissible gathering size drops from 25 to 10, and everyone age 5+ is required to wear masks indoors and outdoors when coming within 6 feet of other people. As we close before the new curfew of 10pm, restrictions on F&B operations are unchanged, though we expect to see increased enforcement so please take the mask rule seriously.

Dumpster Fine - The club's dumpsters are not for member use. We recently had someone put styrofoam in the cardboard recycling dumpster. Our refuse company billed the club \$500 for its removal.

Giving Thanks - This year, in a time of greater need, every single ornament was adopted off the club's Salvation Army Christmas tree. Gifts were collected earlier this week, and they nearly filled the Rivanna Room. Our thanks to members for their generosity.

Lost & Found - A child's sneaker was found outside the clubhouse on Thu 12/10. To claim it, stop by the Grill or call 434-817-0507.

Holidays

A Token of our Thanks - The club's yearly holiday party, golf shop open house, and New Year's Eve celebration are all on hold until 2021. In lieu of those larger gatherings, please enjoy a drink and appetizer on us during December as a token of thanks for your support during 2020. Mention the offer next time you're ordering, either for to-go/delivery or for eat-in at the Grill or Piper Pub. Chef Frederick has created

some [special spring rolls](#) for the occasion.

Candlelit Christmas Eve Dinner - Our traditional dinner is on Thu 12/24, menu [here](#). To best manage indoor capacity while allowing proper distancing and time for cleaning between parties, we're taking reservations staggered in :15 increments, first come first serve. RSVP [here](#). The same menu can also be [ordered to-go](#), ordering deadline is noon on Tue 12/22. Please note that the Christmas Eve dinner is the only food service at the club on 12/24.

Golf

NEW - Superintendent's Update - On course water and ice machines have been shut off for the winter. Please be sure to follow posted daily cart rules, and stay out of roped off areas. Below left is #4 on a day when it was cart paths only, below right is #18 where someone drove into a roped off area. *Cart policy violations are subject to disciplinary actions including fines and suspension of privileges.* The only thing we want less than to impose such penalties is to see the course damage done by a few affecting the enjoyment of all.

UPDATED - Pro Shop Gifts - Lots of great gifts in stock--do your shopping without having to go into town! Gratis gift wrapping (and delivery within Glenmore) is available. Or if you'd like us to hide a larger purchase until Christmas we can do that too. Our special discount event has been extended through the weekend. Stop by, grab

a putter (disposable gloves available), and aim for the bullseye to claim your special holiday discount offer (one offer per person). Thanks to Jack for the homemade target:

Reminder - Gift Lessons with Bill Fedder - Shopping for the golfer that has everything? This holiday season give them the gift of better scores. Bill Fedder is offering a winter lesson package at a discounted rate: \$300 for six 45 minute sessions to be used from Dec to Feb. Gift certificates also available in \$100 (1 hour) increments--the perfect stocking stuffer! Email [Bill](#) for info or to order.

First Tee Outing 2021 - The pandemic has brought many difficult choices, and, while we celebrate the arrival of vaccines, realistically the club is planning on losing weddings, events and the F&B portion of golf outings again for most of 2021. Supporting local charities is an important part of our mission and something we love so we will keep

finding ways to do that. However, we have to be judicious in allocating resources for the near term, so we've had to decline First Tee's request for a free golf outing day in the height of the 2021 golf season. We love them, but to take care of our team and members we must regrettably pause that sort of generosity. Many Glenmore members generously donate their time and money to First Tee so we wanted to share this news directly.

- **"Santa's Jolly Journey" - Sat 12/19, 2pm** - In lieu of children in his lap, this year we'll have Santa take a lap around Glenmore's roads. If he's not passing through your neighborhood you can also plan to meet him at a stop where there is space to safely gather. He'll be leaving the Clubhouse at 2pm, arriving at the soccer field at 2:15 for an approximately 10 minute stay, then arriving at Scottish Homes Park at 2:35 for another 10 minute stop, then back to the Clubhouse around 3pm.

NEW - Member Spotlight - Welcome Clark family. James & Haley have called Cville home since 2014. Their daughter Emily was born a week before the first COVID lockdown in March, so one pandemic positive is the extra time at home these new parents have had. James is a financial advisor with [Edward Jones](#) while Haley is a dental hygienist in member DJ Bickers' [practice](#). In addition to golf, the Clarks are also skiers (both snow and water). Their dream post-COVID trip is an African Safari in the Serengeti, in the meantime they'll settle for local hikes and backyard cookouts.

Racquets & Fitness

Reminder - Platform Programming - Group lessons have begun, four people per court. Lessons are 60-90 minutes, depending on group preference, and \$18-24 per person, depending on lesson length. There is also a daytime beginners group and we can accommodate some evening activities if requested. Demo paddles are available if you'd like to give platform a try. Email [Mark](#) for more info, or for standing or one-time court reservations.

Reminder - Fitness Classes - The club website has the [current class schedule](#). Classes are held in the Ballroom and socially distanced. Personal training is also available with masks and proper distancing. NOTE: no classes on 12/25 & 12/31.
