

Member Update

USTA Call to Action - On Fri 4/3 the United States Tennis Association released this [statement](#) recommending the cessation of play nationwide. No doubt their intentions were good, but the result is out of bounds and harmful. If you'd like to have your voice heard, [email](#) Tara Fitzpatrick-Navarro, Executive President of the Mid Atlantic USTA Section, and give her your respectful feedback. Thanks also to all who have signed our [petition](#) thus far. We're over 200 signatures, help us get to 300, and help us keep the courts open. More info [here](#).

NEW! - Online Tee Time Booking - This feature is up and running, but still in beta so bear with us as we chase the last few bugs. [Log in](#) to the members' side of the website, then click "book tee times (beta)." If you're bringing guests, please make a note in the comments section about who the guest is and which member to charge--absent notation we'll charge the member listed in the first slot. *There is one bug several members have reported. If you click on "book tee times" and are directed to your statements/profile instead of the tee sheet, [email us](#) so we can reset your access to fix it.* Please book tee times online rather than calling the pro shop or stopping by. This will help us limit traffic in and manage social distance around the clubhouse. If you have any trouble when booking, or have any suggestions to improve the process, email help@theclubatglenmore.com.

Easter To-go - Orders need to be in [by noon on Thu 4/9](#). View the menu and [order here](#). Note that on Sun 4/12 only the lunch menu will be offered, the Club will be closed for dinner.

NEW! - "Family Style" Specials - Entrées change weekly and are sized to serve either four (\$30) or six (\$45), with paired salads and desserts available à la carte. This week is Slow Cooked Beef Tips with Basmati Rice Pilaf, or

Chicken Enchiladas with Red Rice. For smaller households these are great for leftovers or freezing. The regular lunch menu is available as to-go or delivery (for members who live in Glenmore or Rivanna Village) from 11:30-5:30, Tue-Sun, with the dinner menu available from 5:30-8:30. Menus [here](#), [order online](#), or call 817-0507.

GCA Playground - The GCA has asked us to help them communicate that the playground near the pools is closed, effective immediately.

Some Good News - A piper was sighted lifting spirits along holes 7 & 8 at dusk on Sun. Follow along [on Instagram](#) to see where he pops up next.

Coming Soon! - The Store at Glenmore - We're working on figuring out a way to use our restaurant supply contacts to save members a trip to the grocery store for pantry staples and household basics. Look for more details later this week, and our thanks to Chef Frederick for spearheading the effort.

Welcome Back Thomas - We are grateful F&B Director Thomas Leroy is back after successful hip surgery. A big undertaking always, even moreso on the eve of Covid-19. We appreciate all of Thomas' work from home efforts post-surgery, as well as Sue and the team stepping up to give him time to recover. Welcome back Thomas.

Suggestions are always welcome at:
