

## Member Update

### *Masks*

**Reminder** - With increased spot checks on businesses for masks and social distancing, liquor licenses and health permits are at risk. We long for what we no longer have, but above all do not want to lose what services we can now provide. Please pay attention to social distancing and also wear a mask in the buildings when you are not at your table to eat or drink. Note also that Albemarle county has passed an ordinance which makes it a misdemeanor to not wear a mask when indoors as of 8/1, excepting under certain narrow circumstances.

### *Golf*

**NEW - Junior Champions** - Earlier in the week the club hosted the season finale Tour Championship of the First Citizens Junior Golf Tour. The field grew from 20 last year to 48 this year. Last year only one Glenmore junior won an age group...this year Rotella Academy and Glenmore juniors swept *all* age divisions! **Killian Donnelly** won the 15-18 age division and earned player of the year for his age group. **William Bascom** won the 12-14 age division and earned player of the year for his age group. **Charlie Wise** won the 9-11 age division and earned player of the year for his age group--Charlie won first place in *all nine events* in which he participated! **Camden Betsworth** finished 3rd in the 9-11 age division, and **Craig Sargen** won the 6-8 age division. Well played Glenmore juniors!

**NEW - Superintendent's Update** - Green aeration runs Mon-Wed 8/17-19, weather allowing. We aim to keep 9 open throughout. With the continued

heat we've been doing a little extra fungicide spraying to fight a bit of pythium root rot. We're also spot watering with hoses as needed, in addition to regular irrigation. Turf density peaks when grass is growing its fastest in late spring/early summer, then tapers off as summer heats up. With that reduction in density we're seeing some goosegrass creeping in on the greens (circled below) which we're hand picking.

To reserve a time slot call 434-817-0534.

#### **Reminders -**

- It can be tempting to over rely on the sanitizing properties of the swimming pools, but please keep social distancing outside your household. We appreciate you considering your health, the concerns of other members and our team, and also the high visibility of the pool area in the event of a health inspection given the heightened enforcement coming. No one is perfect, but we're very proud of how our membership has handled things to this point and appreciate your continued support.
- All three pools are open. Pandemic restrictions now lifted on bringing normally permitted pool toys.
- Reservations required, call 434-817-0534 to reserve a time slot. One per family per day please. If you'd like to stay beyond the ending of your time slot you can if there is space available in the following time slot.
- Members are permitted to bring guests within the same family--son, daughter, grandchildren, in-laws, etc.--and house guests. Non-family member guests are not permitted at this time. Cost per family guest will be \$5 per visit for any guests ages 2+. Pool passes are not available at this time.

### *Tennis*

We're seeing some complacency as the pandemic drags, but our **single-touch ball rules must be followed, no exceptions**, if we're to prevent any potential community spread of COVID here in Glenmore.

- Each player is required to bring their own can of balls. Tennis balls and cans need to be marked by their respective owners. Players can also use different numbered tennis balls to distinguish one from another.
- When serving, each player uses only their own balls to serve, with the balls of other players kept in their respective cans.
- During play, the only person allowed to touch any of the balls is the server whose balls are in play. If a player other than the server wishes to retrieve a ball, that player is prohibited from touching the ball with their hands; they can only pick up the ball using their racquet and shoe, and they must return the ball to the server using only their racquet, taking care not to touch the ball with their hands. **This rule is no different for those wearing gloves.**
- At the conclusion of play, be sure balls are returned to their proper cans.
- Members in same household playing alone may continue to share equipment, tennis balls, etc.
- Members must bring their own water and personal use towels.

### *Fitness*

- The Fitness Center is open 24/7. Capacity is limited to eight members downstairs and four upstairs.
- Members need to bring their own water and personal use towels--the towels in the fitness center are used for machine/equipment cleaning only.
- Use of the provided cleaning solution is mandatory after every use, no exceptions.
- [Email](#) yoga/meditation instructor Holly Hedstrom if you'd like to be on her contact list for occasional pop-up [silent walking meditation](#).at sundown.
- Info & schedule for weekly fitness classes is [here](#).
- If you are not working out as much as you'd like please reach out to [Mark](#) to see how the club can help.

### *Dining & Social*

**NEW - Friday Low Country Boil Special** - We'll be doing a limited number of to-go low country boils, Fri only. They'll come cooked in cheesecloth bags which can be cut open once you get home. Each bag serves two and includes 1 lb. of Shrimp, 2 Andouille Sausages, 2 Ears of Corn, and 4 Whole Red Potatoes. \$40 per bag, pick up after 5pm on Fri. To-go only, call 434-

817-0507 to order.

**NEW - Changing Regulations** - Beginning Sat 8/1, Albemarle County will require indoor dining establishments to reduce their maximum capacity from 75% to 50%. We have enough square footage that we don't anticipate this having a significant effect on dining at the club, but calling for reservations during peak hours will help us plan, as well as making sure we can accommodate your party: 434-817-0507.
