NEW - Superintendent's Update -

- We have temporarily switched to colored flags to indicate back, middle, and front pin positions. This will allow us more flexibility when setting pins so we can avoid areas that have been slow to recover post-aeration.
- Some high-traffic areas have been marked off to divert foot traffic and encourage healing. Avoid these areas when possible, and drop off them (no nearer the hole, without penalty) as needed.
- We have applied a supplemental fertilizer treatment and topped with sand again. This will help encourage grass growth in general, and has allowed us to roll the greens twice more which encourages horizontal growth of grass specifically.
- Over the last week we've seen new grass expanding into thinner areas so we're on the right track, though it will still be a few weeks before the greens are back where we want them. The cooler weather is helping.
- Please remember to enter and exit bunkers from the low side. We've recently seen some easily avoidable damage on the high sides. While it might not always be the shortest route to your ball, using the low sides for access is easier on both your joints and the course.

NEW - Charity at Glenmore in the News - We're proud to partner with [Willow Tree](#) & [Innovate Software Solutions](#) to present The Drive Fore STEM Tournament Mon 9/21. CBS19 was out at the course earlier in the week,

interviewing Kala Somerville, Executive Director of [Computers4Kids](#) (below left), and Charlie Rogers, President of [ISS](#) (right). You can see CBS's story [here](#). This is a new, first-year event which was planned in only two months and will still raise \$35k+ for a great cause, even without a big dinner due to COVID-19. Golf events are perhaps the only safe way to raise money beyond direct donations for a while. If you are involved with a community org that needs to raise funds we can make it easy. Email michelle@thelcubatglenmore.com for details.

Reminder - Men's Member-Member - Sat-Sun 9/26-27. Sat the front 9 is captain's choice and the back 9 is modified alternate shot. Sun is 18 holes of best ball, gross and net. Email [Jack](#) to sign up.

NOTE - The course is closed to member play Mon 9/21 & 9/28.

NEW - Women's Locker Room Repairs - Last week a section of drain pipe over the women's locker room failed. It has been replaced and the carpet deep cleaned.

NEW - Martha Jefferson Champions Cup - The club is proud to again host this annual fundraiser. This year proceeds will support the Foundation's COVID-19 Emergency Response Fund to assure that the hospital has dedicated funds to meet sudden and emerging needs of patients, their healthcare team, and our community. Mon 10/12, more info [here](#).

Reminder - 18th Annual In the Pink Tournament - Join us for this yearly doubles tradition which raises funds for a great cause. All proceeds benefit Marianne's Room and the Cancer Resource Center at Sentara Martha Jefferson Hospital. This is a lovely private room where patients can try on wigs, hats, and scarves to use during their chemotherapy and radiation treatment; soft post-operative prostheses are available for mastectomy patients; and resource materials, support and other services are available to assist women through their cancer treatment. Sat 10/17, 9am-12pm, RSVP [here](#).

Pool & Fitness

Reminder - Hours - The family and toddler pools are now closed Mon-Thu, with the adult pool remaining open on those days for members age 21+. All three pools are open Fri-Sun from 11am-5pm, with reservations required. If you leave a message for a Fri-Sun reservation, please consider it confirmed if you don't hear anything back. Access to the adult pool Mon-Thu is first come first served through the same physical key system used last season, no reservations required. If you need a key email [Rita](#). The snack shack is closed for the season. When at the pool Fri-Sun, you can [order food online](#) or call the Grill at 817-0507 and we'll bring your order to the pool area when it's ready.

Dining & Social

NEW - Social Media Picture Contest - Among the many adjustments 2020 has brought, school-via-Zoom has been a big one. But adjust we do, and doing so with a sense of humor and flair is something we admire. Send us your best photo moments/screenshots for the chance to be featured on our social media and win a special treat! This week's category is Kids vs. Zoom. Post your pictures on facebook or instagram and tag [@theclubatglenmore](#) to enter. (Submitted/tagged photos imply permission for use by the club in our social media). Can't wait to see what everyone has done!

NEW - Tent Pad Update - Hat tip to Jas Heim for pointing out some exposed wiring on the tent pad. Those wires are part of a obsolete circuit which is long since disconnected so there is no shock hazard. Hunter is building a temporary cover to eliminate any potential trip hazard, and they'll be permanently covered over during the next round of sidewalk repair. If you see any other items like this that we should add to our "to-do" list, please email suggestions@theclubatglenmore.com.

NEW - Member Spotlight - Welcome Willard family. Glenn is COO for [GovSmart](#), Jessica is a Sr. Sales Rep for [DLT Solutions](#), and Logan just celebrated his first birthday. Glenn is originally from Madison, Jessica from NoVa, and they've been in the Cville area since getting married in '17. They were big travelers pre-COVID, with Hawaii and the Napa Wine Train standing out as two favorites. Once travel returns to normal a riverboat cruise down the Rhine is next on the list. In the meantime, they're looking forward to football season, outdoor concerts, and making new friends here in Glenmore.
