

## Member Update

### *Golf*

#### **NEW - Superintendent's Update -**

- We have continued with extra fertilizing and topdressing on the weaker greens as well as substituting rolling for every other mowing. New grass is expanding into thinner areas so we're on the right track, though it will still be a few weeks before the greens are back where they should be, both in terms of health and speed. The cooler, drier weather is helping.
- We have raised cutting height on the Bermuda Grass as growth slows with the changes of seasons.
- Please remember to enter and exit bunkers from the low side. We've recently seen some easily avoidable damage on the high sides. While it might not always be the shortest route to your ball, using the low sides for access is easier on both your joints and the course.

**LAST CALL - Men's Member-Member - Sat-Sun 9/26-27.** Sat the front 9 is captain's choice and the back 9 is modified alternate shot. Sun is 18 holes of best ball, gross and net. Email [Jack](#) to sign up.

**NOTE -** The course is closed to member play Mon 9/28 for the first annual Gene Corrigan Memorial Tournament.

**NEW - Tournament Win -** Congrats to member Andrea Miller, winner of the 63rd VA State Golf Association Senior Women's Amateur Championship. Over the course of a week of match play at the Omni Homestead she beat three different past champions of the event. It's quite an achievement, full write up [here](#).

**NEW - Drive Fore STEM Tourney Coverage** - CBS19 did a [nice piece on Monday's outing](#). This was a new, first-year event which was planned in only two months and still raised \$35k+ for a great cause, even without a big dinner due to COVID-19. Golf events are perhaps the only safe way to raise money beyond direct donations for a while. If you are involved with a community org that needs to raise funds we can make it easy. Email [michelle@thelcubatglenmore.com](mailto:michelle@thelcubatglenmore.com) for details. Also our thanks to Sonny Abramson of tournament host [Innovative Software Solutions](#) (and former Cavs quarterback!) for sharing [some drone videos](#) he took of the course.

**NEW - Martha Jefferson Champions Cup** - The club is proud to again host this annual fundraiser. This year proceeds will support the Foundation's COVID-19 Emergency Response Fund to assure that the hospital has dedicated funds to meet sudden and emerging needs of patients, their healthcare team, and our community. Mon 10/12, more info [here](#).

**Reminder - 18th Annual In the Pink Tournament** - Join us for this yearly doubles tradition which raises funds for a great cause. All proceeds benefit Marianne's Room and the Cancer Resource Center at Sentara Martha Jefferson Hospital. assist women through their cancer treatment. Sat 10/17, 9am-12pm, RSVP [here](#).

### ***Pool & Fitness***
