Labor Day

Drive Thru & Tunes - Instead of our traditional cookout, we'll be doing a Labor Day "Drive Thru." We'll have a [menu](#) available to order in person the day of, but you can help us plan and manage social distance by ordering online today. Order [here](#), then drive up to the curb by the Ballroom entrance at your requested pick up time and we'll have your order ready for you. Everyone can spread out and enjoy a socially distant feast with DJ Tova providing tunes in the pool area from 2-6pm. *NOTE: The 19th Hole is open until 4pm, and the Grill is closed all day.*

Labor Day Golf - Mon 9/7. Match your scorecard against a whole flight of competitors playing throughout the day. Email [Jack](#) for a tee time and your official card.

Labor Day Tennis - Field is Full! - Email [Mark](#) if you'd like to be on a wait list. New format this year, an "up and down the river" round robin. All levels of play are welcome, and the format enables players to naturally compete against those of similar skill levels.
