Interim Take-Out Phone Line

The take-out phone line (434-817-0513) has gone out and is scheduled to be repaired early next week. Please temporarily use the Grill line (434-817-0507) to place take out orders. Our apologies for the delay in the repair--the phone company is short staffed due to COVID and is focusing on emergency work first.

Valentine's Day - LAST CALL!

There's a four course [menu](#) for dining at the club with your special someone. A similar menu is available to-go, with some minor substitutions made so it travels well. RSVP for dining at the club [here](#), order to-go [here](#). NOTE: On Sun 2/14, the lunch menu will be served until 5pm and then only the Valentine's Day menu will be served for dinner, Burger Night resumes Sun 2/21.

Golf

NEW - Superintendent's Update - The course is again closed due to snow. When it melts be sure to call the Pro Shop at 434-817-0502

or [check online](#) before playing. Please refrain from golfing when the course is closed, even if it's just chipping or pitching on a hole near your house. We rarely close the course and with snow on the ground it is a small ask to refrain from play until we're officially back in business. Before the snow came we had started a small project behind the practice green, removing holly bushes to bring that area more light and thus better turf:

NEW - Spring Junior Practice with Bill Fedder - This eight week program is for juniors ages 7-13. Each week we'll alternate between different golf skills including full swing, short game, putting, and on-course instruction. The practices consist of structured formal instruction and fun game-based learning. There are two practice times each for two separate age groups. To make social distancing easy, there is a maximum of four per time slot. Runs 3/15 through 5/7, more info [here](#).

NEW - 2021 Tournaments - Our thanks to members on the men's and ladies tournament committees for their creativity and flexibility as we move into the 2021 golf season. Several big events such as the member-guests are shifting to the fall this year, in hopes that widespread vaccination lets them look more like they did pre-COVID.

You can view the schedule [here](#), with the caveat that some dates might change in response to changing circumstances.

Reminder - The Rotella Academy - Whether the goal is to make their high school team for the first time or get a college golf scholarship, we offer the resources that will help your junior succeed. Learn more [here](#).

Fitness, Racquets & Pool

NEW - Zoom Yoga, Tue 10am - Holly, Caroline and Mary will rotate teaching duties for a different experience each week. Suitable for all ages and skill levels, email [Mark](#) to sign up.

NEW - Small Group Training with Dave Kamienski - Get a pod of three or four together for customized personal training. \$100 per person per month includes weekly 60 minute sessions working towards attainable goals. Dave specializes in functional fitness, including rehab, PT programs, light cardio, on- and off-machine training, corrective exercises, body agility, balance, coordination and more. Sport-specific performance exercises can be included as well. [Email](#) with questions or to sign up.

Dining & Social

NEW - Daily Specials Now Online - Our thanks to several members who recently wrote in suggesting we post daily specials online. They can now be found at theclubatglenmore.com/specials. Today's lunch specials are a Ham & Lentil Soup; a Sausage, Tomato and Cheddar Omelet; and a Blackened Steak Sandwich with Blue Cheese, Caramelized Onions and Mushrooms. Fri & Sat brings the return of Fish & Chips.

NEW - GoFundMe - Members Jim Haden, Dick Giese, Judie

Schrecker and Liem Nguyen have organized a second GoFundMe campaign to benefit the club's servers, bartenders and kitchen staff. In the spring ~300 members raised ~\$30k which was gratefully appreciated by and made a real difference in the lives of our 22 hourly F&B team members. Unfortunately both available hours and foot traffic are still well below pre-pandemic levels and are projected to remain so for several more months. The current campaign runs through 2/28, donate [here](#), and our sincere thanks for members' thoughtfulness and generosity in their support.

NEW - Personnel Update - Welcome Kristin Foyle as the club's new Event Sales & Coordinator. She's a recent transplant from the Pacific Northwest where she was the Events Manager and Assistant General Manager at The Corvallis Club. Kristin is from the same hometown as UVA alum Joe Harris who is shooting 49.4% from the arc for the Brooklyn Nets. When her boyfriend said "How about Cville?" Kristin got slowing reports from the Harris family and set out on a new adventure. Along with planning fun events she enjoys watching college football, learning to golf, and exploring her new surroundings with her boyfriend and dogs, a two year old Husky/Shepherd mix named Dakota and a recently adopted eight month old mutt named Oakley. If you have an event in mind, be it something small during COVID or something BIG post-covid, email kristin@theclubatglenmore.com.

UPDATED - Family-Style Specials - Portioned for 4 or 6 servings, available Tue-Sun for lunch or dinner.

- **Turkey Pot Pie** with Biscuit Topping (\$35/45)
- **Beef Tips Stroganoff** with Egg Noodles (\$50/60).

Plus, in honor of Tom Brady's seventh (!) Super Bowl victory:

- **Tampa's Favorite** - Eight Mini Cuban Sandwiches (\$40).

Reminder - Stone-Robinson Food Drive - Sat 2/20 10am-2pm

- We're collecting donations in advance for anyone who can't make it to Stone-Robinson Elementary on 2/20. Drop off non-glass containers in the Clubhouse foyer now through Fri 2/19. We can also arrange touchless pick up at your home, email [Veena Goodman](#) to coordinate. You can also make a monetary donation via the [SRO PTE website](#). Scroll down and click on "Make a Direct Donation" to be taken to PayPal and let the PTO shop on your behalf. Breakfast items, peanut butter and jelly, and baking supplies are all particularly helpful. Thank you for supporting local families in need at SRE.

NEW - Member Spotlight - Welcome Ken and Laura Barnes. They've recently relocated from MD to be closer to children and grandchildren. Both retired in 2018, Ken after 25 years with Fannie Mae followed by 10 years at FHFA, and Laura after 11 years as an academic adviser at a local community college. Ken enjoys golf, guitar, hiking, travel, wine and spending time with his growing family. Laura enjoys all of the above minus golf and guitar, plus swimming.

NEW - Glenmore Pics - Member Don Danilek recently sent us two lovely pictures, one of a sunrise and one of #17 in the snow. More of Don's work can be seen on his [website](#). If you have any pictures you'd like to share, email pics@theclubatglenmore.com.
