News

NEW - COVID Incident Update - We're happy to report that the two kitchen team members who had a potential exposure last week were able to get rapid tests this morning, both of which were negative. That means the rest of our food and beverage team was not exposed and we'll have the staffing needed to resume full service effective tomorrow, Wed 3/17.

We're still short-handed today, so for Tue 3/17 the only F&B service at the club will be a [limited menu](#) served in The 19th Hole from 11am-6pm with no to-go or delivery offered. All services resume Wed 3/17, including to-go, delivery, plus the previously scheduled St. Patrick's Day Corned Beef & Cabbage special.

We apologize for any inconvenience caused and thank you for your understanding.

Dining & Social

UPDATED - Family-Style Specials - Portioned for 4 or 6 servings, available Wed 3/17 through Sun 3/21 for lunch or dinner.

- **BBQ Chicken** with Mac & Cheese (\$40/50)
- **Meat & Cheese Lasagna** with Garlic Bread (\$40/50).

UPDATED - Seasonal Beers on Tap - New on tap this week (once the Piper Pub reopens Wed 3/17) is Hazy Like an Ox Double IPA from New Realm Brewing (VA Beach). This is a double dry-hopped beer with a soft mouthfeel and aromas of fruit with notes of pineapple, tangerine and orange. A mix of seven Idaho hops creates another wave of flavor complexity and it clocks in at 9% ABV and 50 IBUs.

NEW - Glenmore Store Specialty Item - We're still offering weekly orders of household and pantry staples. New this week is a loose leaf medicinal mushroom tea, Reishi Immuni-tea, the result of a new collaboration between a local herbalist and Sharondale Farms in Cismont. For centuries Reishi mushrooms have been touted as the "Mushroom of Immortality." Combined with other immune enhancing herbs, this tea makes a fortifying daily tonic. A one ounce bag is \$6 and you can order here.

Reminder - Easter Brunch - Join us at the club for a prix fixe [menu](#), or order a la carte to-go. RSVP to eat in [here](#), order to-go [here](#).

Reminder - Trivia Night Returns! - Sun 3/21, 4-6pm - We can now have the ballroom at 30% capacity, so we can again host enough teams for a proper trivia night. \$10 per person, RSVP individually or as a team [here](#).
