WAGERS

All wagering must be completed before 8:30am on Friday 9/29!

Players Pool - \$100 per team: Cash event, you will have the opportunity to purchase your own team for \$100. The money will be required before play begins on Friday morning. Money collected stays within each flight. 1st and 2nd place from each flight are paid out. If a team decided not to "buy" themselves, another team may "purchase" them.

Payout Breakdown

First Place: \$350.00*

Second Place: \$250.00*

*Payouts based on full flight participation

Pari-Mutuel Betting: You may buy a \$5 ticket on any team in the field. You can purchase a WIN ticket on teams you feel will finish FIRST OVERALL in the shoot-out. You can purchase a PLACE ticket on teams you feel will finish FIRST or SECOND in the shoot-out. You can purchase a SHOW ticket on teams you feel will finish FIRST, SECOND, or THIRD in the shoot-out. All tickets are \$5 per ticket, and you may purchase as many tickets as you like in all three categories. Payouts are based on the number of winning tickets in each category divided by the total dollar amount of money within the three category ticket boxes.

Flight Bet - \$100 per team: New to this year's tournament, we're introducing the Flight Bet. Buying into your own flight (\$100 per team) will keep everyone interested in who the overall winner is. If the WINNING team in the shootout comes out of your flight, the total purse gets split by whoever bought into their flight. For example, if we have a field of 36 teams, and every team buys in (36x\$100=\$3600), then every team in the winning flight gets \$600.*

*Based on the number of entries.
