## Release Waiver

I give permission for my child to participate in Glenmore Sports program activities with the understanding that camp activities may involve a certain degree of risk. I understand certain dangers, accidents, and/or injuries may occur. I, on behalf of myself, my personal representatives, heirs, administrators, agents and assigns, and any and all entities or persons claiming rights by or through me, agree to and hereby release and discharge Virginia Club Holdings (DBA The Club at Glenmore) its officers, employees, agents, affiliates, partners, and insurers, from any and all claims or causes of action, both known and unknown and whether arising out of negligence, tort, contract, warranty, or otherwise which may arise from camp activities, including but not limited to my child's use of the Club facilities and participation in camp activities. I will notify the Club staff in writing of activities in which I do not wish my child to participate. In case of emergency if I, parent, guardian or emergency contact cannot be reached, I hereby give permission to the physician selected by the staff person to hospitalize, to secure proper treatment, and order injection, anesthesia or surgery as needed for my child as named above.

## Coronavirus

Coronavirus (COVID-19) has been declared a worldwide pandemic by the World Health Organization. Coronavirus is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend physical distancing and have, in many places, prohibited the assembly of large groups (usually of 10 or more). You acknowledge that the Club at Glenmore has put in place certain "coronavirus rules," and taken certain preventative measures, to reduce the spread of coronavirus within the facility; however, The Club at Glenmore cannot guarantee that your child will not be exposed to or become infected with the coronavirus. You understand the increased risk that may be presented by allowing your child to participate in Glenmore Sports program activities, and that you may be putting your child, yourself and/or your family at increased risk for contracting coronavirus. By signing below, you (referred to below as "I") understand, acknowledge, and agree to the following statements:

- I assume the risk that child may be exposed to or become infected with coronavirus and such exposure and/or infection may result in personal injury; illness, causing mild symptoms such as fever or body aches, or more severe complications, such as pneumonia or organ failure; permanent disability or death; and
- I understand that the risk of exposure to or infection with coronavirus may result from the acts, omissions, or negligence of my child or others involved in the Sports program activities and
- I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself, my child or my family (including, but not limited to, personal injury, disability or death), illness, damage, loss, claim, liability or expense (including medical bills, attorneys' fees, and court costs), or any kind, that I, my child or my family may experience or incur in connection with my access to the Sports program activities; (collectively, "Claims"); and
- I hereby release, covenant not to sue, discharge and hold harmless The Club at Glenmore, and its employees, agents, owners, representatives, and affiliates (collectively "Released Parties"), of and from all Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or related to my child's participation in the Sports program activities, whether arising out of the negligent or grossly negligent acts or omissions of any Released Parties or otherwise, and whether any coronavirus infection or exposure occurs before, during or after participation in any of the Sports program activities.
